

Retirement Plan Services Communicator

February 2021

From the Desk of the Director

Hello retirees,

I hope that by the time this Communicator reaches you, temperatures are starting to rise. It has been an incredibly cold few weeks in Milwaukee and the Retirement Plan Services team is looking forward to the spring.

As you may know, the Pension Board has traditionally hosted an Annual Meeting each spring that includes presentations on the performance of the pension fund investments as well as comments from subject matter experts and local officials. In other years, we would be well into planning for the Annual Meeting – which is typically held in April – but the current COVID-19 pandemic has made this year very different. Unfortunately, we will not be able to safely meet in a large group to hold the Annual Meeting this year and we are evaluating alternatives such as virtual or written communications. More information will be provided in the next edition of the Communicator as details on the alternative Annual Meeting format are finalized.

As always, I truly appreciate that you have taken the time to review this month's Communicator and please do not hesitate to reach out to Retirement Plan Services if you have any questions.

Thank you,
Erika Bronikowski
